1. Introduced Value added Courses:

The Department had a keen study and framed a syllabus to cover the area of employability. The students are motivated to join the course. The schedule covering 30 teaching hours is informed to the students which is apart from regular college Hours. Experts from industry / institutions are invited to interact with the students. This helps the students to get motivated and gain practical knowledge. At the end of the course a test is conducted and department issues certificate to the successful students. The college tries to get recognition of the Periyar University to the courses conducted at college level.

2. Women Development Cell is found to conduct programmes to empower women. The girl students are encouraged to come out of any gender biased inhibitions. They are motivated to reach the greater heights. They are informed of the government's welfare schemes and procedure to avail the facilities. The girl students are sensitized the evil prone areas. They are taught hygiene and legal provisions to live healthy and safe. The vocational training programmes are also conducted.

3. Mentor Mentee meeting is conducted twice in a semester in which students are counseled for regular attendance, improvement in studies and specific issues of individual wards.
