**Objective:**

1. To provide an insight regarding internal working of companies
- 2.To bridge the gap between theoretical training and practical learning

**About The Program:**

About 125 students of Commerce Department visited Kovai Maruthi Paper & Boards Private Limited on 15th September 2022.

### **COMPANY PROFILE**

**M/S.Kovai Maruthi Papers & Boards (P) Ltd.**, was promoted in the year 1992 , by a band of budding technocrats from the almamater MIT. This Company geared up its production in the year 1994.

The Company established its plant at Irukkur Village, P.Velur Taluk, in Namakkal District, About 6 Km from National Highway - 7, At P.Velur Junction, to manufacture Quality Kraft paper. The Kraft paper is extensively used in packaging, Wrapping and for manufacture of Corrugated Boxes. The project envisages to Manufacture Paper & Board of thickness ranging from 80 GSM to 250 GSM and BF ranging from 16 to 24 in Unit-I, with a latest multi layer machine, to meet the customer requirements, the Lower GSM and 14 BF range Kraft Paper is manufactured in Unit-II. The Plant is well connected for easy transportation of raw materials and finished goods.

The company has an installed capacity of 25000 MT Per Annum in Unit-I. 15000 MT Per Annum in Unit-II, to manufacture quality Paper & Board in all the varieties. The work force is trained to handle, round the clock production and operation , over 2 decades

The company has established contacts with leading raw material suppliers for both local and imported raw materials.

The company has an in house Quality Control facility to deliver quality finished product to the expectation of the customers. The results are periodically cross verified with the external quality control agencies.

The Company dedicated itself for continues improvement of Quality & Energy Conservation at all Levels.

KOVAI MARUTHI PAPERS & BOARDS (P) LTD., is one of the few units achieved a remarkable Zero discharge concept, to protect the environment for sustained growth.

### **STUDENTS EXPERIENCES**

The bus left the College Campus at 09:40 am with a total of 125 students. The group reached the plant by 10 am. After giving a briefing of the rules and guidelines to be followed, the students were taken to the various units of the plant where the actual paper making process initiates. The students were accompanied by the company staff who provided very useful information about the Company such as:

- Sources of raw materials
- Sorting of the scrap papers
- Processing of the paper pulp
- Drying of the paper pulp
- Preparation of the finished products in form of paper rolls
- Utilization of the by products from the factory.

The students were provided with deep insights about the working of the factory and each and every question was patiently answered by him. The visit was finally concluded around 12.45 pm and the group was offered with refreshments by the company. The students left the plant around 01pm. The industrial visit to Kovai Maruthi Paper & Boards Private Limited was an enriching experience for students in getting live exposure of manufacturing and processing of finished paper products along with the organizational activities within a factory which can help them in their professional knowledge and further career enhancements.

### **LEARNING OUTCOMES:**

- Kovai Maruthi Paper & Boards Private Limited Industry visit paved way to bridge gap between theoretical training and practical learning in a real-life environment.
- It provided an opportunity for students to have active/interactive learning experiences outside the classroom environment and become more aware of industry practices and regulations.
- Through this industry visit, students were able to better identify the prospective areas of work in the overall organizational functioning.
