

Mathematics Association Activities

Mathematics Association Function was inaugurated by Dr. M. Maruthai, Honorary Professor, School of Mathematics, Bharathidasan University, Trichirapalli, on 20.02.2018. In his inaugural address, he motivated the students to pursue their higher studies. He also gave suggestions on how students could prepare for NET/SET exams. Prizes were distributed to meritorious students and winner of various programmes.

Maths Quiz was conducted by Annai Women's college, Karur on 10th Jan 2018. The students of our department participated in various events and won the overall championship.

Our II B.Sc. students A. Anjali and K. Amurtha Priyadharshini participated in a workshop conducted by Nandha Arts and Science College from 7th August to 12th August 2017.
