**REPORT (2020-2021)**

In the academic year 2020-2021, the activities of the club have been designed to continue on online platform due to covid-19, lockdown.

To motivate the students apart from their academic level to various activities the cini club initiated and listed out some of the documentaries- focus on the managerial skills like – leadership , team spirit, and group dynamics. The already enrolled students excluding the first year students were circulated an online circular and a link for the meet to attend the periodical meet once in a fortnight.

By this online mode the club successfully engaged the club members throughout the academic year.

Less than **100** students benefited through this programme. Hope they might have improved in their capability skill.
